About Us

Gaylan Technologies offers total solutions, complete ranges of user friendly, high performance, top productivity machine-tools and engineering products from the largest builders and ultra modern manufacturers in the world. Gaylan Technologies is a proud partner and main distributor of HAAS products in the Philippines. HAAS is America's No. 1 Manufacturer of Vertical Machining Centers, Horizontal Machining Centers, CNC Turning Centers & Rotary Products.

At **Gaylan Technologies**, fair, reasonable and honest business practices are the only ways we know how to do business.

Additives, Cutting Fluids & Lubricants

INDUSTRIAL OILS

Flushing oil	Needle oil	Textile oil	Super chain oil
Anti - rust oil	Knitting oil	Spindle oil	Transformer oil
Hydraulic oil	Silicon emulsion	Silicon mold release agent	Vacuum pump oil
Generator oil	Soluble knitting oil	Industrial and fleet gear oil	Synthetic hydraulic oil
Airline lubricant	Cable and chain lubricant	Silicon oil (10 cst -10,000 cst)	Universal maintenance oil
High temperature oil			

INDUSTRIAL CHEMICALS

Algaecide	Oil dispersant	Gun solvent cleaner
Anti - rust coating	Paint remover	Emulsifiable solvent degreaser
Boiler water treatment	Rust remover	Copper cleaner and brightener
Cooling water treatment	Dry film lubricant	Corrosion preventive compound
Cement remover compound	Aluminum cleaner & brightener	High temperature aluminum paint
Cold tank and carbon remover	Aircon cleaner and coil renovator	

INSTITUTIONAL CHEMICALS

Weed killer	Liquid hand soap	Air freshener and deodorizer	Liquid disinfectant sanitizer
Glass cleaner	Furniture polish	Carpet shampoo concentrate	Biodegradable all purpose cleaner
Termite proffer	Liquid laundry detergent	Toilet bowl and tiles cleaner	Liquid drain opener and clog remover

QUALITY AEROSOLS

Belt conditioner	Anti - rust coating	Penet
Crack detector kit	Engine degreaser	
Anti - loose compound	HT grease in aerosol	
Anti - seize compound	MP grease in aerosol	
Battery terminal protector	Chain and cable fluid	

INDUSTRIAL USE (MACHINING)

Drawing oil	Quenching oil	Synthetic cutting oil	Tampering oil
EDM Fluid	Slideway oil	Soluble cutting coolant	Tapping fluid
Straight cutting oil			

COMPRESSOR OIL

Paraffinic air compressor oil (reciprocating/rotary)	Refrigeration compressor oil	Synthetic air compressor oil
------------------------------------------------------	------------------------------	------------------------------

AUTOMOTIVE

Radiator coolant	Belt conditioner I	Power steering fluid	Special diesel motor oil
Radiator flush and cleaner	Limited slip gear oil	Engine flush and cleaner	Automatic transmission fluid
Battery terminal protector	Automotive gear oi	Non - detergent motor oil	
Radiator anti-rust treatment	Special gasoline motor oil	Refrigeration compressor oil	

ADDITIVES

Automotive fuel additives (gasoline and diesel)	Industrial oil additives	Super engine oil additives
Banker fuel additives	Rejuvenator oil additives	Synthetic oil additives

GEAR OILS

GL - 1 gear oil	Mineral base gear oil	Synthetic gear oil	Food grade gear oil
GL - 5 gear oil	Non-detergent gear oil	Limited slip gear oil	Multi - purpose gear oil
GL - 6 gear oil			

GREASES

Anti - loose compound	Silicon grease	White grease	Multi - purpose all season grease
Anti - seize compound	Food grade grease	Synthetic grease	Low temperature grease
Extreme press/High temp. grease			

Services

Gaylan Technologies provides comprehensive engineering analyses of equipment and machineries. We supply and install technical education equipment, system and turn-key projects and also supply and support hardware and software needs. We train designers, operators and programmers of CNC machines. Gaylan Technologies is proud of its high-quality maintenance, repair and other after-sales support.

A guaranteed one year warranty for parts and service is already included upon purchase of a machine and equipment. We also offer periodic preventive maintenance and continuous support.
